Cocoart™ Cocoa Printing Colors

The COCOART™ Cocoa Printing Colors combine the best of two worlds: high quality cocoa powders and Mona Lisa Studio's printing technology expertise.

Mona Lisa Studio introduced Cocoart Colors in 2015, a ground-breaking innovation in line with market demands. We developed high quality products:

- 100% E-number free colored transfers.
- Printed on sheets or rolls, your desired pattern or message can easily be applied to any food application.

Your own clean label

In today's world it's a must to keep consumers well-informed about what they are eating. A clean label enforces the quality standards of your product. Add superior customer value to your products in a sustainable, natural way.

The COCOART™ Cocoa Printing Colors ranging from light brown to black and from purple to deep red, retrieved from cocoa powders.

Dear Chef,

New Additions

Get ready to immerse yourself in the world of botany. Introducing **Petals** and a **3D Pistil** to bring forth a touch of elegance. And for a stroke of luck, our charming **3D clover** will be a delightful addition to your creations. Or discover our **Donut Discs**, to be melted onto the donuts creating a tantalizing chocolatey experience like no other.

Our chocolate seals are a much loved decoration, and guess what? We've taken things up a notch by doing the **thermo foiling in-house**, ensuring a faster and smoother procedure, so you can focus on what you do best - crafting delicious works of art.

Wholesome and Guilt Free Creations

We are deeply committed to both quality and your well-being, which is why we also offer food colorants that are sourced from natural origins, and some are even completely free from 'E' numbers.

Our printing colors are carefully chosen, all vegan and Tio2Free, with some exclusively cocoa-based (see p. 5).
